

# YEAR REVIEW

When I reflect on the year it's always astonishing to see how much we accomplish. We started our year off going to TATD in June where we had four ladies who took four days to grow in their passion for dance. We continued with summer having our summer sessions where we focus on technique and improving our skills. Starting in August our competition season begins. 9 of our beautiful dancers committed to a year of practice, competition and learning from some of the top choreographers in our nation. We attended 3 conventions and some competed at all 7 of our competitions. Please see their awards in the program. They all did an amazing job.

Regular semester started in September and our 1st event the Rockport Seafare was in October. We got to show off some of our team dances, our our basic one dancer's showed off their moves and hip hop gave the style. We also joined in the parade where we showed our KMC spirit and handed out candy. After that all gears were getting ready for our annual Christmas show. We were also able to dance at our area nursing homes again. We danced at the Fulton Christmas and the Downtown Christmas block party. We love showing everyone the Christmas spirit by offering all these performances for free. 3 nursing homes, 2 community events and 1 free show

After a short break we continued with class in January and really set in for our competition season. We squeezed in one more community performance in May which brings us to tonight. Thank you to all those who helped make this year amazing! . Thank you KMC Family for another wonderful year! I'm already planning what's happening next!
