

Year in Review

Time flies when you're having fun and this year has been a blast! So let's do a quick rewind.....

Starting June I had students interested in attending the Texas Association Teachers of Dancing..or TATD. This is a 4-day long experience that really focuses the dancer on personal improvement. I saw Hannah and Charlotte grow so much in style and knowledge and I am super excited to have them, and 3 more girls attend this coming June! Be on the lookout for fundraisers coming up this Summer! In July summer classes were in full swing and we started offering Acro among our other styles, big thanks to Thomas Lawing for teaching. I am hoping to make that a part of our regularly scheduled classes next year. We had a 2-day workshop with Alyssa King where the girls improved their ballet and contemporary. Summer is such a great way to push yourself to improve and continue to keep moving!

August is the beginning of Competition time! This year we had 14 girls compete and attend conventions. I am so proud of how a team of students and parents come together to support and help all the dancers look their best. It was a fun year with new competitions and venues that made it extra exciting! Please check out all the awards our competitive dancers achieved in the program. If you and your dancer are interested in competing, please let me know!

We also stayed busy dancing around our community throughout the year. We showed out at Seafair doing Hip Hop through Contemporary. We performed for Downtown Christmas and the Chamber of Commerce. Our free Christmas Show was the best way to send off for a well-deserved break. Our dancers Nahla, Leaklyn & Ginger were winning beauties at the Oysterfest Pageant. We wrapped up our year dancing at the Emeralds Spring Show to help give them time to change. Kayla Gladstone is working hard and creating a great team for the High School, very proud to be a part of her program.

Thank You every Parent, Grandparent, Aunt, Uncle and Friends that help your dancer be on this stage. You are giving them a priceless gift that will help them grow in so many ways. Thank you for being the KMC family!
